ADDENDUM 1

DATE: July 2, 2021

TO: All Prospective Bidders

REF: FY21-IFB-01 The Sanctuary @ James H. Shimberg Estates Parking Lot Resurfacing

The Invitation for Bid (IFB) for The Sanctuary @ James H. Shimberg Estates Parking Lot Resurfacing is hereby amended or clarified in response to the questions asked are set forth below:

Questions & Answers:

1. Would you like us to price out repairing or replacing this section of the sidewalk as well (at building #4)? I know the scope of work only has the sidewalk where we are installing the new drainage piping to be removed and replaced. But this section of the sidewalk is a trip hazard as well.

Please follow the plans and specifications.

2. Why do you feel that thermoplastic striping is necessary for this job? This will result in a substantial cost increase for striping.

Traffic paint shall be used for striping.

The remaining portions of this Invitation for Bid FY21-IFB-01 for The Sanctuary @ James H. Shimberg Estates Parking Lot Resurfacing will remain unchanged.

Sincerely,

Tina D. Washington-Jones, Contracting Officer
Contracting & Procurement Department

Please complete the attached acknowledgement and include the same in your proposal package.
